Nick Pettyjohn

Name: *Nick Pettyjohn, Intern Extraordinaire, May-Dec. '06, May- August '08, and his latest stint has been May-August '09 - Nick was at Jesse Engineering and is now at the Redmond Corporate Office working on the Kimberly Clark Survey.*

Do you have any Nicknames? *Nick, PJ, Deisel Pete, Nikolai*

Name two songs for which you know all the lyrics: *Only two? "Today was a good day" by Ice Cube and "North by Northwest" by Blue Scholars*

They say you learn something new every day, what did you learn yesterday? *That there are a lot of wealthy people in the Lake Sammamish area. I saw 6 Porsches and 2 Ferraris before I go to the freeway.*

What book do you think everyone should read? *The Grapes of Wrath by John Steinbeck and The Wealth of Nations by Adam Smith*

Name your favorite Cyndi Lauper song: *You lost me here (Come on, "Girls just want to have fun, or from The Goonies, "Are you good enough?") Oh, of course, in that case anything from "Lauper's Greatest Hits," or whatever she would play at The Emerald Queen Casino.*

Do you plan your outfits? *I try to but the girlfriend keeps telling me I can't wear a striped shirt with plaid shorts*

Are you a fan of tattoos? *For the most part. I really wanted to get a smiley face on the bottom of my big toe, as a funny contrast to a toe-tag, but the lady that does my friend's tattoos said it would wear off.*

Do you have any great advice? *Try to do at least one thing every day to improve your station in life. And read, it will help you immeasurably*

What would the child you once were think of the adult you have become? *I think little me would say, "Why aren't you done with college yet?"*

If you could build your dream house, what would it include? *Waterfront, amazing views, guest houses for family to stay/live in, and every amenity you could think of. So.... What you're saying is, the Lake Sammamish area? Precisely.*
